A. General

1. Scope of Tender

The **Executive Engineer, Dasarahalli division** , on behalf of the Commissioner BBMP (Referred to as Employer in these documents) invites tenders following Two Cover tender procedure, from eligible Tenderers, for the works of Providing Infrastructure programmes to SC /ST Communities in Dasarahalli Zone detailed in the Table given in the Invitation for Tenders (IFT). The Tenderers may submit tenders for any or all of the works detailed in the table given in IFT.

2. Eligible Tenderers

2.1 Tenderers shall not be under a declaration of ineligibility for corrupt and fraudulent practices issued by the Government of Karnataka (GOK) / Bruhat Bangalore Mahanagara Palike (BBMP)

2.2 **Tenders from Joint ventures are not acceptable.**

2. Qualification of the Tenderer:

3.1 All Tenderers shall provide the requested information accurately and in sufficient detail in Section 3: Qualification Information.

3.2 To qualify for award of this contract, each Tenderer in his name should have in the last five years financial years, **(ie 2016-17 to 2020-21)**

(a) achieved in at least two financial years an average annual financial turnover of **Rs. 85.00 Lakh** .

~~(b)~~ Satisfactory completed, at least one similar work **value not less than Rs. 42.50 Lakh** as prime contractor.

(c) Executed in one year (for a continuous period of 12 months) the following minimum quantities of work

Sl No	Item	Quantity	Unit
1	Earth Work	190.00	Cum
2	All grade cement concrete	170.00	Cum
2	TMT Steel	20.50	Tonne
3	Plastering	1340.00	Sqm

(d) Tenderer or his identified sub contractors should possess required valid electrical license for executing building electrification works and should have executed similar electrical works costing not less than in any one year-**DELETED.**

(e) The Tenderer or his identified sub-contractor should possess valid license for executing water supply/sanitary engineering works and should have executed similar water supply/sanitary engineering works totaling n any one year-**DELETED.**

3.3 Each Tenderer should further demonstrate:

(a) Availability by owning at least 50% of the required / specified key and critical equipment for this work and the remaining 50% can be deployed on lease / hire basis for all works provided the relevant documents (commitment agreements etc.) for availability for this work are furnished.

Scanned with OKEN Scanner

Sl No	Item	Nos
1	Concrete mixture	2 No
2	Excavator (JCB/Hitachi)	2 No
3	Tippers	2 No
4	Water tanker	1 No Own/lease
5	Vibrator with Needle	2 No

3.4

(a) liquid assets and or availability of credit facilities of no less than **Rs.25.50 Lakh** (Credit lines/ letter of credit/ certificates from banks for meeting the fund requirement etc. *(usually the equivalent of the estimated cash flow for three months in the peak construction period)*"

3.43.5 To qualify for a package of contracts made up of this and other contracts for which tenders are invited in this IFT, the Tenderer must demonstrate having experience and resources to meet the aggregate of the qualifying criteria for the individual contracts.

3.53.6 Sub-contractors' experience and resources shall not be taken into account in determining the Tenderer's compliance with the qualifying criteria except to the extent stated in 3.2 (d) and (e) above.

3.63.7 Tenderers who meet the above specified minimum qualifying criteria, will only be qualified, if their available tender capacity is more than the total tender value. The available tender capacity will be calculated as under:

Assessed available tender capacity = (A*N*2.5 - B)
where

A = Maximum value of civil engineering works executed in any one year during the last five years *(updated to 2020-21 price level)* taking into account the completed as well as works in progress.
N = Number of years prescribed for completion of the works for which tenders are invited.
B = Value, at *2020-21* price level, of existing commitments and on-going works to be completed during the next.....years *(period of completion of the works for which Tenders are invited)*

Note: The statements showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be countersigned by the Employer in charge, not below the rank of an Executive Engineer or equivalent.

3.7 Even though the Tenderers meet the above criteria, they are subject to be disqualified if they have:

- made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements; and/or
- record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.; and/or
- participated in the previous Tender for the same work and had quoted unreasonably high tender prices and could not furnish rational justification.

TENDER CAPACITY

DONADHI ANAND NAIDU

Tenderers who meet the above specified minimum qualifying criteria, will only be qualified, if their available tender capacity is more than the total tender value. The available tender capacity will be calculated as under:

Assessed available tender capacity = (A*N*1.5 - B)

=235241524*0.5*1.5-
65000000
= 2,32,15,572

where

A = Maximum value of civil engineering works executed in any one year during the last five years *(updated to 2020-21 price level)* taking into account the completed as well as works in progress.

N = Number of years prescribed for completion of the works for which tenders are invited.

B = Value, at 2020-21 price level, of existing commitments and on-going works to be completed during the next. years *(period of completion of the works for which Tenders are invited)**

Note: The statements showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be countersigned by the Employer in charge, not below the rank of an Executive Engineer or equivalent.
